

2022 Scholarship Application

Complete this interactive form, save it and email as an attachment to (what email address?)

Scholarships are awarded based on the below financial records, family need, fit of family to our program, and available funds. Scholarship funds are made available through the sacrificial generosity of many, therefore the funds are carefully awarded to those who otherwise could not get the help our program provides. Evaluation will be compiled and initially reviewed by the executive director. The final award is at the discretion of the board of directors. Our organization has a non-discrimination policy whereby we do not discriminate on the basis of race, color, national or ethnic origin.

Scholarships are not considered until a completed application for admission is received. All scholarship awards are forfeited if a family does not complete the program for any reason other than dismissal by VAFB. Parent homework and accountability assignments must be completed for scholarship monies to be awarded. Scholarships are awarded and applied to tuition statements quarterly as funds are available.

Student Name: _____

Parent Names: _____ Date: _____

Including all funding you have available personally and with all other possible sources of funding:

Amount of monthly funding you have available for tuition: \$ _____

Down payment available: \$ _____

Lump sum available: \$ _____

Tax return monies: \$ _____

Please supply the following:

1. The last three years of IRS tax returns.
2. A signed statement of all assets and debts.
3. A household budget that states both expenses and total income.

Please list the other possible sources of funds that you have pursued and the outcomes:

Personal Assets:

List personal assets and determine the values and look at the possibility of liquidating or using equity from real estate, recreation vehicles, boats, motorcycles, automobiles, firearms, jewelry, etc. Look also at drawing finances out of cd's, retirement funds, stocks, etc. This is a rescue effort for the soul and life of a boy. Every asset should be considered.

Steps taken: _____

Outcome: _____

Family members:

Often other family members are willing to get involved in a child's education. Ask family members to check our website and see if they would be interested in helping fund the boy's enrollment in Victory. Family members other than parents and grandparents usually can take advantage of Victory's non-profit status and receive a tax deductible receipt.

Steps taken: _____

Outcome: _____

Churches:

Many of the families have had help from their church. Contact the church leadership to see if the church or someone in the church might be interested in helping the boy through this program.

Steps taken: _____

Outcome: _____

Local Civic Groups

There are people in every community who are looking for how to help people and organizations that are helping people. Look for groups who would help a religious organization, or those groups who include business people who would help individually fund the “rescue” of an at-risk teen.
